FREQUENTLY ASKED QUESTIONS

HOW OFTEN DO I USE FORMULA 82 M ?

Men use 82M morning and night for at least the first three months and then can go to a maintenance schedule of once in the morning. Women use only nightly.

HOW LONG WILL IT BE BEFORE I SEE RESULTS ?

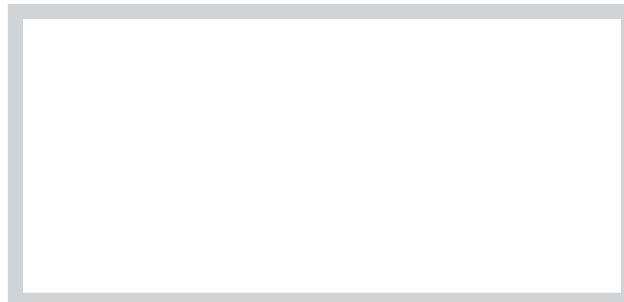

For most people, results can be seen in 6-8 weeks, but significant results take 3-6 months. At first you will notice your hair loss will decrease and then you will notice new growth.

WILL I LOSE MY HAIR THAT I HAVE GAINED IF I STOP TAKING 82M ?

In order to maintain the gains you will see, it is important to remain on Formula 82M for as long as directed by your physician.

ARE THERE SIDE EFFECTS ?

At first, a small percentage of people have a little irritation or itching, but this will gradually stop within the first couple of weeks.
